Listen to a Sea Chantey

When the bo'-sun shouts, "All hands!" to help to raise a sail, Queer-Eee-reports to him with an eager wagging tail. "Haul a-way!" the bo'-sun shouts, "All hands!" to pull the lines. It's Queer-Eee who bites the end and hauls the rope in time.

Find the other ship. When called to general quarters, the sailors man the guns. Of course, our little Queer-Eee comes up to join the fun. He finds a place all in the stern where he can best observe, as if to supervise the crew at the cannons that they serve.
